# **Hybrid Education Program**

**2020-2021**

Enroll in the our 2020—2021 Kindergarten-8th Grade Hybrid Education Program at the Boys and Girls Clubs of Northwest NJ's Wayne Unit and give your child the opportunity to develop and grow in a fun an educational setting! We offer safe, appropriately spaced, group rooms for our members to complete virtual school, homework help and age appropriate activities.

This year is different then what we are all used to, but our professional staff has been working with the Board of Education to ensure that virtual learning and school assignments will be continued while the kids are in the Club instead of the classroom. During the full Hybird day at the club, members will be provided a safe space, with staff on hand, to help complete their virtual learning assignments.

*\*Members will have to provide their own devices and earphones\**

This monthly Hybrid Education Program & 5 Day Virtual learning Option includes days that schools are closed for observed holidays and conferences. Formally known as Vacation Club with an additional \$50 per child per day fee, these no school days will be included in your monthly tuition at NO cost to you!

We have **Social Distancing Activities** such as group coding and virtual STEM classes, arts and crafts, Social distancing games, themed days etc.

In Addition to the virtual learning ALL members will have time set aside for Homework Help

## **PROGRAM HOURS & PRICES:**
