

## FEES

Please Read Carefully

Registrations and fees are for 3 day or 5 day weekly sessions. We do not register on a daily basis. **Payment in full is required by the listed deadlines to be eligible for those rates.** Children will not be registered for any unpaid weeks indicated on your child's form.

State certification regulations regarding the number of campers attending our program requires us to base all registration on availability.

If you wish to add weeks at a later date, bring in or mail your payment **at the current registration rate** with a note indicating prior registration and the additional week/s you would like your child to attend. Remember that all registrations are based on availability. In addition, we will not accept partial payments from various sources. The parent whose signature appears on the enclosed registration form will be our contact person regarding payment.

**Refund Policy:** Refunds are considered only in the event that your child misses three or more consecutive days due to illness. Requests for refunds must be made in writing and must be accompanied by a dated and signed doctor's note which must include the doctor's address and phone number. We will not grant refunds for changes in vacations, sport camp or other camp schedules, or personal reasons. If available we will attempt to place your child in another session. **Refunds will not be issued if your child is expelled or dismissed from camp for any reason.**
