

Thank you for attending the 2024-2025 Boys & Girls Club of Pequanock's Travel Basketball Try outs. We want to give you as much information on the time commitments and fees as possible so that you have all the details upfront.

All potential players should be notified of the coach's decision regarding the team roster by Monday, October 21, 2024. **If you are selected for one of our teams** here is what you need to know:

Registration fees: (\$335), Club membership fee (\$35, valid from 9/1/24 to 8/31/25), and uniform (Jersey \$45, Shorts \$25) fees must be paid by first practice. Apparel is completely optional. Link will be sent out soon.

Fundraiser fees: We typically ask each player either participate in fundraising or buy their way out of fundraising by paying that fee at registration. We adjusted the process so that the fundraising fee must be paid at time of registration with the ability to earn that fee back by participating in the fundraiser. The fundraiser is not mandatory only if you would like your fee returned to you. We are still working on the logistic of the fundraiser. Once I get more info then I will send all info to you.

Practices: Practice days and times will vary throughout the season based on gym availability and coach's availability. We try to give as much lead time as possible but because we are using the Board of Education's gyms, sometimes last minute changes do occur. Each team should receive at least one practice per week and most weeks will receive two practices. Practices typically run for 1.5 hours.

Games: Games should begin the week of December 9th. Our home games are usually played on Saturday late afternoon/evening at PTHS or Friday night at PVMS. Make up games that are played at home may take place during the week at PVMS or PTHS. Away games are at the discretion of the away teams, we have no choice on day, place or time. Each league plays approximately 15 games and teams do have the chance to advance to playoffs. Teams can enter 2 tournaments at the coach's discretion. Teams usually play 20-25 games for the season.

Playing time: This is a competitive travel team. Players will be awarded playing time based on ability and attendance at practice. Coaches have discretion on playing time and although they are encouraged to play all players in all games, it is not mandatory.

If you are selected for one of our teams, please make sure all of the requirements above are acceptable to you, prior to accepting the roster spot.
