### Thank You For Making a Difference!

The Boys & Girls Clubs of Northwest New Jersey's programs promote education, healthy living, character development and good citizenship. Our organization provides outcome-driven experiences that help young people reach their full potential, particularly those who need us most.

Your support allows us to serve 5200 youth annually in seven communities. Our programs provide childcare options for those ages 6 weeks through eighth grade in our Early Education Center, Kindergarten and Before- and After-School Programs, and our Summer and Vacation Club Camps. We also offer recreational and competitive sports programming, which offer our athletes an opportunity to develop their skills while learning sportsmanship and teamwork. Our Leadership Development Programs—including Torch Club for those ages 11-13; Keystone Club for ages 14-18; and Youth of the Year program—help our members develop the skills that will prepare them for success in life.

We thank you for supporting our event and investing in our efforts to support and nurture the children and their families who count on us each and every day!
